

SCHOLARSHIP APPLICATION 2026

Pioneer Camp receives funds each year from individuals and foundations to assist families with children who wish to attend camp and who would otherwise be unable to. For our campers from Manitoba, funding is also available through the Manitoba Camping Association Sunshine Fund. Contact their office at (204)-784-1130 or find that application online at <https://www.mbcamping.ca/sunshine-fund>.

We are committed to making it possible for any child to come to camp. To discuss scholarships and other payment options (such as instalment plans) please contact us at (204)-788-1070 or email mpc@pioneercamp.ca.

TYPES OF SCHOLARSHIPS

There are three types of scholarships:

1. Top-ups: If a discount of up to $\frac{1}{4}$ of the camper fee would make the difference between being able to send your child to camp or not, we will give you a "top-up". You do not need to submit a scholarship application for this. Just contact the registrar by phone or email, request a top-up of a specified amount, and we will cover up to $\frac{1}{4}$ of the camper fees.
2. Regular scholarships: If you are applying for a scholarship worth more than $\frac{1}{4}$ of the camper fees, then we require that you fill out a scholarship application and we ask that you also apply to the Sunshine Fund. Regular scholarships typically cover up to $\frac{1}{2}$ of total fees.
3. Full scholarships: In certain circumstances we can cover up to the full amount of total fees. We require that you fill out a scholarship application and explain the circumstances, and we ask that you also apply to the Sunshine Fund.

Please complete the attached information sheet and return it to our office. If you are requesting a regular or full scholarship, please include some documentation of family income such as a tax assessment. Our scholarship committee reviews requests and distributes the scholarships as funds are available. We will notify you of our decision after the committee has met.
